612.1 DEVELOPMENT OF PARENTAL INVOLVEMENT POLICIES FOR TITLE I PROGRAMS

Note: Although the West Central Education District does not directly receive Title One funds, the students attending WCED programs may have a positive impact on member district's revenue due to free and reduced lunch status.

In regards to parent involvement, all three programs, i.e. Birth-2, Beacon and ALC; maintain consistent parent contact with the parents/guardians of the students enrolled in the programs.
